

Freebies License Details

All our products are royalty free for use in personal or commercial projects. This license grant you a non-exclusive worldwide use for products downloaded from our site. Please check out the rest of the terms to get details to use our products.

Things You Can Do

1. You are able to use the product in personal or commercial work. You can create any work for your clients or for your own showcase. You can use it as often as you want.
2. Our product can be used as an item, physical goods showcase or website template, sold through a market place or directly on a website without attribution required (but we always appreciate if you do). However You can not resell or redistribute our product as is (PSD files).
3. You can modify, manipulate, combine with other works and make a derivative work from our product for personal and commercial use. The result is allowed to the terms of this license. You can do these things as long as the end product you created is not forbidden in "Things you can't do" section.

Things You Can't Do

1. You don't have rights to re-distribute our products as stocks, templates, as a tool or with source files. Including lease, license, sub-license. You can't do this with a single product or added to a bundle with different products - even if you modify it.
2. You can't re-distribute or make available our products as is, superficial or in-depth modifications. These things are not allowed even if the download and use is for free.

If you're still unclear about the terms of use of our products license, or if you want any different conditions for use of our files, feel free to contact the Mockupbee team.

Thank's for using our mockups!
